

Lake St. Louis Fire Protection District

is starting a

Community Emergency Response Team

— CERT —

This will be a group of trained volunteer citizens that will assist the Lake St. Louis community in times of disaster or when First Responders are overwhelmed. There are CERT teams in all 50 states, all trained and ready to respond when called upon. All CERT members go through the same 20 hours of basic training and are required to continue their training while they are on the team. These are just some of the topics the basic CERT training will cover.

Light Search and Rescue

Disaster Preparedness

Fire Suppression

Disaster Medical Operations

CERT Organization

Disaster Psychology

The Training will start on **Monday, May 5th** and run through **June 30**, every Monday night from **6:30 pm till 9:00 pm** (No class on Memorial Day).

If you are interested in learning more about the CERT program or you want to register for the class, please call the Lake St. Louis **CERT Hot Line** and leave a message. Someone from the team will call you.
